Owners Arrangements for Inclement Weather

In the event of inclement weather the Australian Turf Club, has in place the following contingencies to make your day as comfortable as possible

- If you don't wish to enter the Theatre of the Horse, you can stand in the undercroft located at the entry point of the Theatre of the Horse.
- There will be umbrellas available for collection in the undercroft, however if it is too windy we advise umbrellas not be used, with the safety of horses and humans paramount.
- Owners are recommended to watch their race from the Level 1 Owners Viewing area, in between the Grandview and the Chairman's. This area is accessible via the escalators behind the Theatre of the Horse. This area is undercover and behind the glass.
- Post-race you are able to use Lift 3 (concierge will direct you to lift) to access the basement en route to the Owners Pavilion or to access another area of hospitality.
- If you wish to view your horse in the dismount yard after watching from the Level 1 viewing area, there is an escalator outside the glassed doors in front of you. There will be an Australian Turf Club employee, at the bottom of escalator, who will direct you to Owners enclosure.
- For winning connections, in the event of wet weather the presentations will take place in the undercroft. We will have umbrellas available for owners post-race.
